MEMORIAL WALK AND GOLDEN VIEW

Enhancing the Camper Experience

1 Improved Safety and Comfort

New storm shelters and climate-controlled facilities ensure campers are safe and comfortable during weather events.

3 Better Dining Experience

A new, larger Dining Hall ensures all campers can eat together comfortably, fostering a stronger sense of community, improved kitchen supports special diets and allergy needs

2 Expanded Programming

The Airnasium and renovated program areas provide more space for athletics and activities, regardless of weather.

4 Smoother Daily Flow

The "central vein" concept and improved traffic flow reduce transit times and enhance safety, making camp life more efficient.

Elevating the Staff Experience

1 Quality Housing

New, varied housing options, including family-friendly units, provide suitable and comfortable living conditions for staff of all ages.

2 Professional Environment for Leadership Development

A new Welcome Center with private and co-working spaces supports productivity, leadership development, collaboration, and a professional atmosphere,

3 Enhanced Safety

Improved infrastructure, including better lighting and traffic flow, increases safety for staff moving around camp.

4 Recruitment & Retention

Modern facilities make CSL a more attractive workplace, aiding in recruiting top talent and improving staff retention rates.
